Work Experience

Intern at FOXAISR
Feb'23 - May'23
As a Junior Software Developer intern at FOXAISR, I actively contributed to front-end development projects, gaining valuable hands-on experience. My responsibilities included assisting in the design, development, and testing of web applications using technologies such as HTML, CSS, JavaScript, and React. I am eager to apply my skills and knowledge to contribute effectively to future projects.

Career Objective

I am seeking a position where I can utilize my skills and expertise to contribute to the success of the organization. I am eager to apply my knowledge in [mention specific areas or technologies related to the job] to drive positive results and foster mutual growth.

Educational Background

- Institute for Advance Computing And Software Development, Pune, Maharashtra
